EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

(1) Amy Pulliam (3) Sidney Williams
(2) Gollamudi Kishore (4) _____

Date of interview August 30, 2001

Type: ☐ Telephonic ☒ Personal (copy is given to ☐ applicant ☒ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description: _____

Agreement ☐ was reached with respect to some or all of the claims in question. ☒ was not reached.

Claims discussed: claims on record.

Identification of prior art discussed: Prior art on record.

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: The nature of the article of the invention and the article of Mellul was discussed by Mr Williams. It would appear the particles of the article of the invention would not come out, but firmly attached. However, since claims as recited would read on any used powder puff and since Mellul is a close prior art, the following were suggested: 1) Define the article, the powder, the sizes. The allowability of the amended claims will be determined. However, since the application is under final, the amendment may not be entered.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

☒ 1. It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph below has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ 2. Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, requirements and response requirements of the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the requirements of the last Office action. Applicant is not relieved from providing a separate record of the substance of the interview unless box 1 above is also checked.
